# DERBY and OAKS COMPETITIONS

The Derby and Oaks competitions are shows within a show. They have been a feature of St George Annual Shows for many years, since Charlie Brown prompted the initiative. The Derby (for young cocks) and the Oaks (for young hens) are independent of the main show.

**Entrants compete in the main show without any benefit or detriment from Derby or Oaks results.**

The Derby and Oaks are open to any young birds entered in the main show and comprise a class for cocks and a class for hens irrespective of (standard) variety or colour. Consequently, they attract the strongest competitors giving a second chance for a major award.

These special classes are judged first and offer the audience a glimpse of the best to come, before judging throughout the day. Cages are not marked in Derby and Oaks judging. This ensures that subsequent judging in the main show offers without notice of Derby or Oaks results. The same birds may win through in both sections but there are many reasons why this may not occur.

Department may vary and, of course, the competition will almost certainly be different.

**Give your hopeful youngsters a second chance!**

Awards will be given for first, second and third in the Derby and in the Oaks.

**ENTRY FEE: 50c PER NOMINATION**
